Merit system hearing

The city council will meet with the city auditor to discuss city financing. Also, on the agenda, is a discussion of the merit system. Date of the study is Monday, July 27, at 7:30 p.m., in the council chambers.

Candidates file

There are nine candidates running in the Upland School District board of trustees election to be held Aug. 25. The candidates are running for the unexpired seat of Floyd Allen, who resigned his position in May.

The candidates are Robert Groggin, 222 S. San Antonio Ave., Raymond Bailey, 885 W. 11th St., Barry Brandt. 894 W. 19th St., Clarence Olson, 1636 N. Euclid Ave., Richard Holdaway, 2504 Primrose Lane, Dan Newburn, 598 Ukiah Way, Mrs. Anne Henke, 675 Redding Way, William Reinhold, 1398 N. San Antonio Ave., and Fred Kramer, 252 Aster Street.

Recreation attendance

Attendance figures for the first week of recreation show 11,565 which is down from last year's 11,950. Average for first day was 2,308, which is down from last year's 2,390. George Schilens, recreation director, reports the decrease is due to having only one band location.

New recreation commission

The new recreation commission met recently and selected Harold Cook as their chairman with Mrs. Eleanor Warren as vice chairman. Others serving on the committee are John Andreas, Frank Ayala, Howard Merrill, Mrs. Dick Pehl, and Jacques Sopkins.

The group decided to meet at 7:30 p.m. on the second Monday of each month in the city council chambers.

The following items were reviewed in a discussion of the recent park bond election which failed:

1. The park and recreation Master Plan should be reviewed.
2. The majority of people voted in favor of the park bonds for the second time.
3. The citizens Committee needed more total support by the city council and the Parks and Recreation committee.
4. Balance of $42.47 from the Park Bond Fund turned over to the committee and the secretary instructed to have it deposited for the committee.

Volunteer firemen

Would you like to be a volunteer fireman for Upland? The group has 13 members now and are seeking more. They are on stand-by and sometimes help the regular force. Requirements are 21 years of age and up, live within a six-mile radius of Upland, be able to pass a physical and be willing to get a first aid card. The VF meet the second and fourth Mondays at the fire station. A fun evening is held once a month at the VF retreat. For more information, call Fire Chief Leon Lamphear, 982-2615.

Upland chamber launches new year

A kaleidoscope of activities highlighted the annual Chamber of Commerce dinner held last week. Shown clockwise are: Houston Flournoy, California State Controller, who was the main speaker and who told the group that financing in the future would have to be a tri-government venture involving federal, state and local governments; Tony Malone, accepts a present of traveling bags and posed the question, "Are you asking me to get lost?"; Walter Reardon, President 1969-70, presents special awards to active participants in the chamber year; Rosalie Kamansky, action course in practical politics; C. Richard Hield, brochures and publications; Robert Sherwood, commercial and industrial; Don Dean, Fireball 12; and John Meyer, Upland Town Center president; Robert Sherwood, new Chamber president, accepts congratulations from Flournoy and Reardon. Sherwood outlined a year of change in Chamber structure and activities.

Boys' Club bows out

Watching the Boys Club walls come tumbling down are Gerald Garcia, 9, and Monte Busby, 10. Both boys are members of the club, and while they said they "hated to see the building go," they didn't mind going to Memorial Park where the Boys Club is located temporarily.

The Boys Club building, one of the oldest buildings in Upland, has had a long and colorful history.

It was built in 1880 and was first a school building, later it was a grocery store, and finally became the boys club. The club organized in 1958 and moved to the 2-1/2 acre site in 1966. Besides the main building, there were two other buildings on the site. One was torn down last year after it had been ravaged by vandals, the other was torn down earlier this year for the same reason.

The main building breathed its last days when a fire which was set last May under the porch gutted the roof. The club had to be vacated. Once again vandals demolished all but the walls, and it was deemed necessary by city officials to tear the building down.

The Boys Club board is undecided at this time what course it will take.

And the walls came tumbling down

Coronary Prevention Club opens in valley

An "exclusive" club has been opened in the Pomona Valley area for adults between 30 and 60 years of age who are running a high risk of heart attack because of a high blood cholesterol level, or because of high blood pressure.

Membership in the Coronary Prevention Club, a cooperative effort by the East San Gabriel Valley Division of the Los Angeles County Heart Association and the Pomona Health Department, is by physician referral only. It is also limited to those who have no prior history of heart disease.

Object of the newly-organized group is to reduce the incidents of coronary heart disease by modifying the diet. This would tend to decrease the blood cholesterol, blood pressure and body weight.

The program will include dietary instruction, referral to a smoking withdrawal clinic, if necessary, and periodic cholesterol and blood pressure reports from member's physicians.

Local residents who suspect they may qualify for the need to lower the risk of heart attacks and its resulting death of disability, must contact their physicians for guidance before applying for membership in the club.

Physicians who have qualifying patients may learn the exact medical criteria for acceptance, and may obtain referral forms by phoning the East San Gabriel Valley Heart office at (213) 963-5907, or the Pomona Health Center at (714) 623-6811, ext. 508.

Stars to entertain

Kidney foundation sets fund raising gala date

Top name celebrities will help kick off the second annual fund-raising event sponsored by the Randy Shepphard Kidney Foundation for Children.

Set for this Sunday, July 12, from 4 p.m. to 2 a.m., the event will take place at the Cask 'N Cleaver, 8689 Ninth St., Cucamonga.

Heading the list of entertainers are popular singing stars Ted Earls, Johnny Williams, Oscar Diamond and the Magnificent One Man Band Mr. Shane.

Other entertainers include Ernie Andrews, recording and television personality, The Tom and Jerry Trio, The Popular Schanigan Four, The Sonny Ray Trio, The Fernando Brothers, The Flaneur Trio and The Griswold Group.

Ted Quillin, star DJ of radio station KFOX will emcee the event.

The evening's musical entertainment is under the direction of Jerry Moultry.

The Randy Shepphard Kidney Foundation was formed when residents of Montclair came to the aid of Randy Shepphard, son of Mr. and Mrs. Spencer Shepphard of Montclair, when it was discovered he needed a kidney transplant.

Newly organized and incorporated, the foundation has set as its goal the eventual financing and completion of a dialysis center at one of the valley's hospitals to help area residents in need of a kidney machine or information on kidney disease.

Congressman Augustus F. Hawkins, D-21st District, is honorary chairman of the foundation.

Foundation President M. J. Benemie Sr. explained, "Under our foundation plan, patients and their families can be trained in selected hospitals to administer dialysis at home.

"Such treatment can be adjusted to the patient's normal daily routine, costs are sharply reduced and there is a psychological advantage to taking treatment in familiar surroundings."

"Machines are not assigned to patients by the foundation itself," Benemie continued. "As they become available, a list of eligible patients is reviewed by the foundation's scientific advisory council and decisions made on the basis of criteria which includes age, marital status, children, financial status, as well as medical condition."

"Each machine when no longer necessary is reassigned. Six hospitals in the Los Angeles area are equipped to train patients for home dialysis. They are Cedars-Sinai, County USC, Wadsworth Veterans, St. Vincent's, Harbor General and Pasadena Community," he stated.

The ultimate answer to kidney problems appears to be in the area of successful transplants. But, until the day is reached, people will continue to rely on artificial kidney machines, and the kidney foundations of Southern California will continue to rely on public financial support and the donated time of dedicated volunteers.

HEATS ON!

Maybe I'd better quit commenting on Mother Nature and her whimsical ways. No sooner do I say she doesn't know it's summer than she turns up the thermostat and sends us a blast, to add to the discomfort this heat in turn, turns the smog on, and we all turn to coughing. It seems that with all of our technology we could outwit this determined lady.

BIRTHDAY TIME

It's happy birthday time for all July people who are late Geminis pure Cancers or early Leos. The United States has already had its Birthday and for people from the mid-west, it would be about watermelon, firefly time and plenty of camping and fishing. Have you given any thought to Christmas?

CHAMBER DINNER

Hats off to Tony Malone for the slide show he presented at the Chamber's annual dinner, it was all picture and sound and it told a story no words would have. It's part of the new look for the chamber and if this what's for the future, we should expect great things.

Upland Brethren church hosts conference

The Centennial General Conference of the Brethren in Christ Church convened at the Upland Church, 845 West Arrow Highway, July 1 and continued through July 5.

Dr. Arthur M. Climenhaga of Upland as Bishop of the Pacific Conference welcomed about seven hundred delegates and members and friends from many states of the United States, provinces of Canada and representatives from national churches in Africa, India, Japan and Nicaragua at the opening session Wednesday afternoon at 2 p.m.

Also at the opening session, the Mayor of Upland, the Honorable George Gibson, welcomed the Conference to Upland and Southern California. The Conference Moderator, Bishop C. B. Byers of Elizabethtown, Pennsylvania, in calling the Conference into session also presented fraternal delegates from several denominations and institutions in association with the Brethren in Christ.

The Conference theme was, "The Word of Our God Shall Stand Forever." Dr. Owen H. Alderfer, a former Upland College professor, and presently secretary of the

Tremendous changes have occurred during the 100 years of General Conference history. The 1871 Conference met in the primitive surroundings of a rural Stark County, Ohio, homestead; the Conference of 1970 met in the modern facilities of the Upland Church.

The Conference of 1871 produced one page of official records; the Conference of 1970 will produce approximately 200 pages.

The main Conference speakers included three College presidents. Dr. Myron S. Augsburger, President of Eastern Mennonite College, Harrisonburg, Virginia, spoke on "Discipleship and the Church," and "Reading Maketh a Full Man."

Dr. David McKenna, President of Seattle Pacific College, Seattle, Washington, addressed a Friday evening youth rally on "Meeting the Needs of the Church."

Dr. D. Ray Hostetter, President of Messiah College, Grantham, Pennsylvania, spoke concerning meeting the needs of youth on the subject, "Turning a Problem Into an Opportunity."

Nazarene Church

Rev. and Mrs. Wendell Woods, missionaries to Okinawa, now on furlough, are holding services among Churches of the Nazarene. This is the Woods' second furlough since going to the mission field in 1959. They will be at the Church of the Nazarene, Sunday July 12, at 11 a.m. The church is located at 120 W. 9th Street. Upland.

Rev. Woods was first assigned to Nagoya, Japan for language study and evangelistic work. In 1963, he worked in the field of evangelism in Sapporo, Japan. In 1965, Rev. Woods became the pastor of the Keystone English Church of the Nazarene in Okinawa. He has also been the active treasurer, area supervisor, evangelist and pioneer in starting new areas of work in Okinawa.

The missionary services will include a presentation by Rev. Woods concerning the work of the Church of the Nazarene in Okinawa, and the showing of colored slides of the area.

Rev. and Mrs. Woods have four children, David age 17, Daniel, age 15, Deborah, age 13, and Rebekah, age 12. The Woods family will make their home in Wilmington, during their furlough year.

Jehovah's Witness

"One of the happiest occasions of the year for our congregation is the assembly time," said Edward F. Liesmer, the presiding minister of Jehovah's witnesses in the Upland congregation. "Our congregation is a busy place these days as each family is making preparations to attend our annual district assembly, this time to be held at Anaheim Stadium during July 16-19.

There are the preparations for an adequate wardrobe for each of the children, there are car pools to be made so that no one is left without transportation, and there are rooms to be requested so that everyone can take in the day-long sessions without having to rush back and forth through heavy traffic."

The public is invited to the public talk on Sunday, July 19, at 3 P.M. entitled, "Saving the Human Race--in the Kingdom Way."

Twelve visitors were introduced from the sidelines, including Theda Davis Of Moneta Chapter No. 315 in Los Angeles.

The Chapter voted to donate the Coin March for the evening to the Cancer Dressing Fund.

Co-chairmen for the evening were Neva Varner and Sue Wilkin, and the committee was Helen Carow, Wilma Mathers, Mrs. Lloyd Wilkin, Mrs. Earl Olsen, Florence Phillips, Coral Hunter, and Mrs. Ira Francisco. An old-fashioned sing-a-long led by Mrs. Floyd Kellner, accompanied by Coral Hunter at the piano.

Club doings

Forty plus-minus

The Forty Plus or Minus Club invites all single adults over 30 in the Pomona Valley area to attend their "Summer Sailing" dance on Saturday July 11, at the Westmont Community Center, Ninth Street and Goldenrod Place, Pomona.

Doug Thomas and his orchestra will play from 9 p.m. until midnight.

Travelers club

The Upland Travelers Club had a two day trip to Lampoc to see their annual parade and fields of beautiful flowers - every kind and color.

On the way they stopped at the Will Rogers ranch, and had a tour thru the house.

On July 16th a trip is planned to Long Beach, and a cruise of the Los Angeles harbor.

For information or reservations call Myrtle Buchanan at 985-4272 or Ruth Bancroft, 982-3620.

Uplanders Club

The New Uplanders Club recently presented the Boy's Club of Upland with a $200 donation to be used for the purchase of equipment. The money was obtained from proceeds of the club's rummage sale held in April. A nursing scholarship of $150 was also presented to Karen O'Leary, a second year student at Chaffey College.

A family picnic was held at John Galvin Park in Ontario. Prizes were awarded to the children who won foot races and dance contests.

The final meeting of the year was a "pot luck" lunch at the home of Mrs. David Goetsch. There will be no meetings during the summer until September 9.

PFF open house ends

Friday, July 10 is the last day of Pomona First Federal's $200 Million Party being observed now in all nine offices.

This event marks a high-spot in PFF's history-that of reaching the $200 million mark in assets.

Everyone is cordially invited to do so before July 10. There will be gifts and surprises for all who attend and the opportunity to find the "buried treasure" in the form of 200 silver dollars.

Every guest has a chance to draw a bag of riches from gaily decorated boxes in each office. Refreshments, too, will be served.

Dentistry as practiced in old world

By
DONALD W. REYNOLDS
Publisher,

MARRAKECH, MOROCCO -- For the first time in my life it appears that it would have been better for me to have been born a subject under Nicholas II than as a citizen under Theodore Roosevelt. The decision is based entirely on oral problems.

Apparently every Russian that has reached the three-score mark is equipped with obviously indestructible steel teeth. Mine are of the more ordinary variety and a toothache is a real catastrophe.

I know of no law, religious or otherwise, that provides that sharply on the stroke of midnight, May 31, the tourist season in Morocco is finished. All English speaking guides and translators disappear from the hotels, tourist agencies and taxis. And they take most of their French-speaking associates with them. Far be it for me to criticize the Arabic language. I'm sure that the Koran as well as the Arabian Nights, as originally written, were things of beauty -- but for me, only the Arabic numerals are comprehinsible, and it is unbelievably difficult to reduce an aching jaw to an algebraic quotation.

My hotel manager directed me to a native drug store -- or at least I suppose that's what it was. After many gestures and means a small boy escorted me up three flights of stairs where a small man wearing a burnoose presided over a table that was covered with what appeared to be wire cutters.

There was a chair next to the table that reminded me of the one I sat in for my first hair cut some fifty odd years ago.

Surprisingly enough another burnoose-clad man rolled out a piece of equipment on which I finally recognized a word--X-ray. Two postage stamp-sized pictures were eventually produced, and while I think I have enjoyed a fairly complete education during my formative years, interpreting dental X-rays is not a subject in which I consider myself competent.

After considerable discussion, my small boy guide was called into consultation and I was handed the two pictures and a page of instructions in Arabic, and motioned to follow the juvenile guide.

Back to my original starting place where I received three packages, fortunately labeled in French, Panstrilline Penicilline G. The command to lower my trousers as the druggist (?) approached with his needle was at least comprehensible, and while I've never before had a pain treated so far from its original source, I took the injection, a box of pills and a mouth wash. Total expenditure, including the X-rays, penicillin for two more shots and the two-hour services of my small boy - $9! Shades of medicare!

Of course, I still have the toothache, but tomorrow I head for Frankfurt, Germany and the pills, the injection or the Arabic way have at least made me drowsy and that's a decided improvement! However, I'm still going to look into that steel teeth bit.

Running meets

Chaffey College has announced that its fifth annual season of summer running events for grade school through adult age athletes is underway.

The developmental meets are each Monday and Wednesday evenings for the first seven weeks of summer. Cross country competition starts at 6 p.m. each Monday with track meets staged at 5:30 p.m. on Wednesdays.

No entry fee is charged and no awards are offered. It is a developmental and recreational program.

Individual instruction is offered daily from 2 to 6 p.m. in all areas of track and field activities for all interested athletes.

Because of Chaffey College's all-weather track set up, all track athletes must compete in 1/4 inch spikes. Spikes longer than those requested will damage the track.

Minor League - Stevens Interiors topped the league undefeated with 15 wins. Woody's Market, Stanley's Plastering and Pizza Palace all came in second with eight wins and seven losses. Michaels Market and First National Bank tied for third with three wins and 12 losses.

Upland American Little League Standings as of July 4 - Manuels Richfield, 16 wins, 3 losses; Upland Lions, 14 - 5; Shady Grove, 10 - 7, 2 ties; Fencecraft, 10-7-2; Upland Block, 8-11; Pomona First Federal, 7-12; Pacific Rock 6-13; McDonalds 3 - 16.

Upland American

Fencecraft had something to celebrate on July the Fourth when they won over Manuel's Richfield, 10-2.

The loss didn't hurt Manuel's which has the first place in the league with 16 wins and three losses, but the win moved Fencecraft into a tie for third position with Shady Grove 10 wins, seven losses and two ties.

Steve Hossler pitched for Fencecraft while Ted Van Duin, Mike Mierau, and Bobby Smith were firing them in for Manuels.

In action earlier in the week Manuel's Richfield played Shady Grove, and Manuel's walked away with the game 7-0. Frankie Pastore pitched a perfect game, a no-hitter, shut-out, and he struck out 14. Greg Jensen and Pastore both came through with home runs for their team.

Casa Colina seminar on training methods

Casa Colina Hospital for Rehabilitative Medicine is sponsoring a seminar in methods of training physically disabled patients to function more independently at home and at work, to be conducted by Mrs. Edith B. Lawton, internationally recognized authority.

The one-day seminar will be held at the hospital 10-4 p.m., Wednesday, July 15.

The sessions, according to clinical director Dr. Daniel J. Feldman, will include lectures, demonstrations and practice in improving the ability of the disabled person to function successfully both at home and at work, with special emphasis on architectural barriers and their possible solutions.

The seminar is designed for nurses, therapists, counselors, social workers, aides and attendants.

Mrs. Lawton is director of post graduate education for paramedical personnel at New York University Medical Center, Institute of Rehabilitative Medicine, and is assistant professor of clinical rehabilitative medicine at New York University's School of Medicine.

She has written two textbooks, "Physical Rehabilitation for Daily Living" and "Activities of Daily Living for Physical Rehabilitation," both of which are widely used.

She has published numerous technical articles related to rehabilitation, and has written and directed a film on the subject.

In recent years Mrs. Lawson has lectured and conducted workshops and seminars in the United States and abroad.

She was consultant for the U. S. Army for the organization of paraplegic units at hospitals in Massachusetts and Virginia, and was consultant to the U. S. Public Health Service in Alaska in the summer of 1967.

Under the auspices of Stanford University Medical Center, she presented a series of 20 lectures in hospitals of the San Francisco area.

An award for outstanding service in the field of international rehabilitation was presented to Mrs. Lawson in 1959 by the U. S. Committee of the International Society for the Rehabilitation of the Disabled.

Early registration is encouraged, since attendance must necessarily be limited.

The fee, $15., includes luncheon at the hospital. Reservations may be sent to Casa Colina Hospital for Rehabilitative Medicine, 255 E. Bonita Avenue, Pomona, 91767, attention Mrs. Jane Hoffmeyer, Development Department.

Remember When?

During a railroad rate war in the mid-1880's, the fare from Kansas City to Los Angeles dropped to just one dollar.

Anthology

Editor's poems to be published

Two poems written by Ruth Koehler, editor of the Montclair Tribune, have been accepted for publication in "Dance of the Muses."

The publication is a poetry anthology to be printed later this month and circulated throughout the United States and Canada.

Mrs. Koehler's poems appearing in the anthology are entitled "afternoon sky" and "one of those fleeting things."

In a letter to Mrs. Koehler, Jeanne Hollyfield, editor of "Dance of the Muses," wrote, "It is our opinion that these poems are of exceptional literary merit and deserve a place in the libraries of the world, where they may be read and reflected upon by contempories as well as generations yet unborn."

County Fair premium lists released to exhibitors

With the help of volunteers from the Apple Valley 4-H Club, San Bernardino County Fair officials have sent out the 1970 premium books to exhibitors.

The booklets contain detailed information on how exhibitors can take home part of the offered $13,500 in premium money and prizes.

Covering exhibit classes from art to wildlife, the 1970 San Bernardino County Fair, Aug. 26-30, will again be one of the biggest attractions of the summer -- for people of all ages.

To obtain a copy of the premium book which gives rules, regulations, entry deadlines and fees, write the San Bernardino County Fair, P. O. Box 820, Victorville, 92392.

THERE'S STILL TIME TO REDUCE . . . ENJOY SUMMER WITH A NEW FIGURE!

Grandmother reduces to a size 8. "I'm really enjoying this summer with my new slim figure," says Nel Campagne of Montclair.

In this photo, Nel Campagne was grossly overweight. As a busy housewife, mother of four children, 3 still in their teens, Mrs. Campagne was discouraged with trying to lose weight. Attracted by a Pat Walker advertisement, she began her reducing program and went from a size 16 to a size 8.

Mrs. Campagne, proud of her new figure, poses with Pat Walker. Mrs. Campagne successfully reduced, losing 4 inches in the abdomen, 6 inches in her thighs, 2½ inches tom her underbust, 5½ inches in her waist, for an overall loss of 28½ inches. She states, "I can't adequately express how wonderful it feels to have a trim figure.

ANY WOMAN CAN HAVE HER PERFECT FIGURE THIS SUMMER

by Miss Pat Walker, the Internationally Recognized Reducing Authority

Now that summer is here it suddenly makes a woman realize that her figure is so important to her because the new season's smartest clothes are available in sizes for only slim figures.

All too often, a woman will tell us how this year's social activities and vacations were ruined because she tried on her previous year's clothes and found the added inches and weight made it impossible for her to wear them. And after shopping for new clothes, she became demoralized and disheartened because nothing looked the way it should. This resulted in a minimum wardrobe "just to get by" and the excuse for not wanting to be seen at social activities.

It is a shame that all so many women experience this because in truth it need not happen. Today, it is better to invest money in a new figure than try to buy clothes to disguise it. You can buy your figure back just as you would purchase clothes, furniture, automobiles or anything else.

However, it is a service and you have to come to the salon for treatments. But, it is nice to know that we make reducing most pleasant and a woman enjoys the time spent with us. I visit with so many, many women of every age, walk of life and nationality, and each woman thinks her figure problems are so very different from another woman's — that it will work for the other women but not for her.

After a figure analysis, she realizes her figure problems are really not so difficult and that thousands of others have experienced the same problems that she has and suddenly she regains hope and faith that something can be done for her and her own figure problems. When she has had her figure analysis, she knows where she needs to lose, what it will cost her, and how long it will take.

Upon regaining her figure the very proud and happy woman receives compliments and attention because she has become a new person in both appearance and personality.

"Thanks To Pat Walker, I'll Be Spending More Time at the Beach This Summer" says Joan Speight of Anaheim.

Before she began her reducing program, Joan Speight was wearing a size 14 dress and weighed 139 pounds. She says, "With the marvelous Pat Walker reducing program, I lost all over my body and especially where I needed it most in a very short time. I am looking forward to my summer hobby — swimming with great enthusiasm."

In this photo with Miss Pat Walker, Joan Speight lost weight and inches all over, but especially where she needed it most. Joan lost 7 inches from her thighs, 4 inches from her hips, which were her special problem areas. She states, "I am enjoying all the compliments this summer and highly recommend the Pat Walker reducing program to women who think they just can't lose those extra pounds and inches quickly."

A SPECIAL REDUCING OFFER SO THAT YOU CAN ENJOY A NEW SLIM FIGURE THIS SUMMER!

You are invited to come in or call for a courtesy treatment and photometric figure analysis without obligation and from the analysis we will tell you where you are going to lose, how long it will take and based upon $2 per treatment we will tell you exactly how many treatments you need and the exact cost of your figure correction. **We will give you $20.00, this week only, to be applied on your personalized Pat Walker figure correction program.**

With Pat Walker's new computerized program you can reduce quickly, easily and effortlessly without rigid diet or strenuous exercise, without disrobing and in complete privacy. You will lose where you need to lose and you'll enjoy doing it. You have nothing to lose but pounds and inches with Pat Walker's Figure Perfection Program.

For a FREE trial treatment and figure analysis without obligation, come in or phone to reserve your appointment. Hours are 8 A.M. to 9 P.M. Monday through Friday, Saturdays, 9 A.M. to 2 P.M.

Corral camp fun

Sheree Sogn, La Verne, on horse, and Kim Terle, San Dimas, are shown with Sheik at the Girl Scout Camp that was held at the South Hills Horse Ranch in Glendora. They were two of the 100 Girl Scouts from Spanish Trails Girl Scout Council who enjoyed the real "horsey" camp for beginning riders. Mrs. Mack Hinton of San Dimas was among the troop leaders and Karen Kircher of San Dimas was a Senior Scout program aide.

MDAC forum

Dear J.G.:

I can answer your question very quickly. YES - this is the major problem with the use of drugs.

It is not the drugs that are the problems, it is the individuals using the drugs. All drugs that are problems to society are ones that change individuals.

Individuals who use drugs do not react, function, or act as they normally do. They either act differently because of the drug or act differently and blame it on the drug. The altered conditions caused by drugs are the major problems with the abuse of drugs.

Individuals who "get something" out of drugs usually do so because they are missing "something" in their personality to begin with. This drug gives them what their personality needs to function in a group, with other people, or just live.

These individuals have "personality problems" to begin with and drugs just help them live with the problems.

Also, such drugs work on areas of the brain that control judgment, inhibitions and actions. Alcohol and barbiturates work in the areas that control inhibitions and actions. Consequently, someone under the influence of alcohol makes the life-of-the-party out of the wall-flower. This is why individuals drinking talk-too-loud, act-a-little silly, and giggle-a-lot.

All of the drugs that are abused by people act on the brain and alter the actions of the individual. All of these drugs can cause you to do things that you normally wouldn't do.

(Editor's note: This week's questions were answered by Kenneth L. Jones, Counselor at Mt. San Antonio College. Persons wishing to have questions on drugs or drug problems answered through the forum may write to MDAC Forum, c/o Montclair Drug Abuse Committee, P.O. Box 66, Montclair, 91763).

Dum-Bells!

That's what they're calling the folks at Household Equity. And why Not? They been going around buying houses and giving folks much more cash for their equity than they can get anywhere else. And if they have a G.I. or F.H.A. loan, Household pays all the expenses. You don't have to be a Philadelphia lawyer to figure out how much cash you get coming. It's right down in black and white. And you can have your money in 1 day if you like — even if you're behind in your payments.

We called Bob Petkin Co. (They been out spending all that Household cash!) and we asked Bob, "What gock with these household guys, are they for real?"

"They sure are," said Bob. "They need lots of houses and they're willing to pay top dollar to get them. It's some sort of Tax deal. We've been appointed their first Household Equity Broker."

"And they want a lot more to help them spend their money! "In Fact," mentioned Bob, "if your house is listed with a broker we will still buy it and we pay the commission." (On behalf of 614 Rose, Montclair, 620 Madera, Ontario, both listed with Kathy Sell at Herbert Hawkins Co. A. 8535 LaVine, Alta Loma, listed with Bob Ellington at Cucamonga Realty). "We don't care where they are — from Los Angeles to Los Serranos — from Pomona to Fontana. We'll check 'em out."

"Between you and I," admitted Bob, "I think they're a little crazy myself. But they sure got lots of Cash. Why not give a call and talk to one of our dum-bells."
